May Basket

(Sing to the tune "A Tisket, A Tasket")

A-tisket, A-tasket I made a May Day Basket.

I filled it up with flowers bright
and hung it on the door just right.

Moon Magic by Jess April is the month for Diamond

4/1/26 IS THE FULL MOON 4/10/26 IS THE LAST QUARTER 4/17/26 NEW MOON APRIL IS THE DIAMOND

MEANING: This symbol of everlasting love is also believed to instill courage (make sense, those two go together). However, a diamond worn for effect or prestige will bring opposite in love.

Energy: A natural amplifier of physical and spiritual energies, this stone never needs recharging.

Hold a diamond and say quietly or aloud: A diamond shines strength, its brilliant display, to bring your unique beauty out into play. Send With its gleam your message of love, or seek in its sparkle the essence of truth.

Zodiac Sign ARIES MARCH 21 – APRIL 20 The Ram: Fire Sign

Let Shine in the Full Moon's Glow: Courage, determination, confidence.

Allow to Dim as the Moon's Light Sets: Stubbornness, possessiveness, uncompromising

Associated Essential Oil: Rose-softens some of those "strong as a bull" tendencies; eases stress.

Kitchen Magic with Sarah Meatloaf

April shows bring..... Inside cooking, but also May flowers. So on one of those rainy nights when you just want to stay in and have a cozy meal, meatloaf will never disappoint! Here's meatloaf with a BBQ twist (for when you want that outdoor taste but are stuck inside).

You'll Need: For the meatloaf

12 Oz ground beef (Impossible or Beyond also work well for this)

½ Medium onion – diced

½ Bell pepper – diced (any color)

¾ to 1 Cup – your favorite BBQ sauce

½ to ¾ Cup – breadcrumbs

You can add one egg if you'd like, but it's not necessary for this recipe. I don't use one, and it holds together.

Salt, pepper, garlic powder, paprika – all to taste (feel free to add in any other seasonings that you like. I'm just keeping this one simple)

For the topping: 2-3 Tbsp – tomato paste

2-3 Tbsp – BBQ sauce

To Make: Preheat the oven to 400 degrees

Mix the meat, breadcrumbs, onion, pepper, egg if using, and spices. Add ¾ - to 1 Cup of BBQ sauce.

Form into a loaf shape and add it to a greased bread pan. Bake covered with foil for about 25 minutes

Mix the tomato paste and BBQ sauce for the topping and spread it on top of the meatloaf

Bake, uncovered, for an additional 10-12 minutes – If you like it a little more brown on top, for the last 2-3 minutes, you can turn on the broiler Let cool for about 5-10 minutes before cutting so that it can set up

I hope you enjoy it!

Beltane/May Day

May Day has been celebrated form ancient times as a spring festival all over the world.

Activities to do on May Day

Make a May Basket and fill it with flowers and give it to someone.

Make a pressed flower card.

Go into the woods and get in tuned with Mother Nature.

Sit in a pile of flowers.

Make a garland of flowers to wear in your hair.

Dress up in bright flowery clothes or wear green.

Make a Jack-in-the-bush. (A pyramid shape of greenery, crowned in flowers representing the Jack-in-the-Green, or the Greenman.)

Dance around the maypole.

Wash your face with the morning dew.

Plant a tree in the yard of your love one.

Tie bells to your shoes to protect yourself from mischief fairy folk.

Bake sweet cakes and place them in your thyme garden to invite fairy folk.

Make candied violets.

Happy May Day

"Nine woods in the Cauldron go, burn them fast and burn them slow.

Birch wood in the fire goes to represent what the Lady knows.
Oak in the forest, towers with might in the fire it brings the God's insight.
Rowan is a tree of power causing life and magick to flower.
Willows at the waterside stand ready to help us to the Summerland.
Hawthorn is burned to purify and to draw faerie to your eye.
Hazel-the tree of wisdom and learning- adds its strength to the bright fire burning.
White are the flowers of Apple tree that brings us fruits of fertility.
Grapes grow upon the vine giving us both joy and wine.
Fir does mark the evergreen to represent immortality seen.
But - Elder is the Lady's tree burn it not or cursed you'll be."

The nine kinds of wood used in the Beltane fire

One of the best-known Celtic traditions for Beltane is the lighting of the Beltane fires. These huge fires were set to welcome back the sun for the light (summer) half of the year. All the hearth fires were extinguished on May Eve, and then they were relit the next day from the Beltane fires.

The fires were started with nine sacred woods, each with various magickal properties. People would gather and dance around the fires through the night, jumping over the flames to ensure a successful and prosperous summer.

Birch - The Goddess, or female energy

Oak - The God, or male energy

Hazel - Knowledge and wisdom

Rowan (Mountain Ash) - Life

Hawthorne - Purity and fairy magick

Willow - Death, sacred to Hecate

Fir - Birth and rebirth

Apple - Love and family

Vine - Joy and happiness

"Take this earth, herb, and wood and make a commitment tonight to work on your self and your esteem. Do not let others influence you; do not let your surroundings and your work make you who you are. Start again one with nature and proclaim to all. I am, and I live within Nature. " Blessings to all on this Eve.
